

H&M Company, Inc.

The Right Fit for Wright Medical Technology, Inc.

Wright Medical Technology, Inc. - Memphis, Tennessee

H&M Company, Inc. is currently providing General Contractor Services for a new Corporate Headquarters for Wright Medical Technology, Inc. in Memphis, Tennessee. This 139,000 square foot, complete interior retrofit and finishout project is just the right fit for H&M. The project consists of renovating two buildings simultaneously. We started working on the project in mid-September of 2013 and we're on site today getting ready to start another phase. H&M is teamed with Pickering Firm, Inc., a Memphis-based architectural and engineering firm. Valli Design Studio is providing interior design services.

About Wright Medical Technology, Inc.

Wright Medical Technology, Inc. is a specialty orthopaedic company that provides extremity and biologic solutions that enable clinicians to alleviate pain and restore their patients' lifestyles. The company is the recognized leader of surgical solutions for the foot and ankle market, one of the fastest growing segments in medical technology, and markets its products in over 60 countries worldwide. For more information about Wright Medical, visit www.wmt.com.
