Completes The Buckle

H&M Company is proud to announce the completion of a new distribution facility for The Buckle in Kearney, Nebraska. This is a 238,000 square foot project including 24,000 square feet of office space. The facility was a design-build project with design completed by our in-house architectural/engineering firm H&M Architects/Engineers, Inc. The Buckle, Inc. is a leading retailer of medium to better-priced casual apparel, footwear and accessories for fashion-conscious young men and women. The Company currently operates over 400 stores in 41 states, under the names Buckle and The Buckle. Johnson Stephens was the material handling consultant for the project and Jones Lang LaSalle was the owner's project representative.

H&M Company is a national design-build firm headquartered in Jackson, Tennessee with offices in Nashville, Phoenix and Richmond. To learn more about H&M please visit our website or contact Roger Cook, Greg Kelly or Michael Eidson.
