

adidas Group Spartanburg, South Carolina

The H&M Company, Inc. and Olive Branch Partners (OBP) team provided design and construction of the facilities, acquired the site, provided the project financing and structured the long-term lease with the adidas Group.

Note: OBP is an H&M affiliated company through common ownership.

Handles 18,000 sortable units per hour	Handles 18,000 sortable units per hour
Processes 51,500 outbound cartons per day	Processes 33,000 outbound cartons per day
Holds 12 million inventory units	Holds 17.6 million inventory units

ENVIRONMENTALLY FRIENDLY

The campus buildings consist of post consumer materials throughout the structures as well as EPA Energy Star label roof materials. Protecting habitat and preserving the existing "blue line streams" were a priority during site construction.

H&M Company is a fifty-two-year-old national design-build firm headquartered in Jackson, Tennessee with offices in Nashville, Phoenix and Richmond. To learn more about H&M please visit our website or contact Roger Cook, Greg Kelly or Michael Eidson.
