About Butler Design Group

Since the firm's inception in 1996, Butler Design Group has been fortunate to design and complete well over 20 million square feet of office, industrial, retail, and specialty projects. Our firm's foundation was developed on the principle that we, as design professionals, wanted to partner with our Clients/Owners and Contractors to produce a quality end product through a mutual understanding and respect for each others goals; utilizing a cooperative, team-oriented approach that improves the quality, functionality, efficiency and profitability of the process for all involved. BDG has been described as a 'medium-sized firm with a small firm culture and large firm capabilities'. We have built our reputation based on strong principal involvement and a commitment to a high level of personal service. We view each new project as both a challenge and an opportunity to create another success story for our clients. For more information, please visit www.butlerdesigngroup.com.
